

Please note the following corrections to the Gospel of John, Lesson 23:

- Study Question #1, page 231, asks, “What was the Praetorium and why would the Jews be defiled if they entered it?”

Change question as follows:

Read John 18:28-30. What is ironic about the Jews handing Jesus over to Pilate while being careful to not to defile themselves by entering the house of a Gentile during the feast of Passover (according to Jewish law)? (*The “Praetorium” was the palace home of Pontius Pilate.*)

- Add “See Matthew 27:18” to the end of Study Question #2, page 231.
- Add “See Matthew 20:19 and John 3:14” to the end of Study Question #6, page 232.
- Add “In verse 36,” to the beginning of Study Question #8, page 232.
- Add “See John 18:39” to the end of Study Question #9, page 232.
- Add “See John 18:40 and Mark 15:7 to the end of Study Question #10 on page 233.
- Points to Ponder, page 233, first paragraph, the third sentence states: But eventually Rome decided to place it under the rule of (a) Roman official called a “procurator.” (Insert the word “a” in the sentence.)
