

Please note the following corrections to the Gospel of John, Lesson 24:

- Study Question #6, page 240, the first sentence states, “According to Jesus, those who had him arrested “has the greater sin” than Pilate.” (Change to: According to Jesus, those who had him arrested have “the greater sin” than Pilate.)
- Points to Ponder, page 244, the 3rd sentence in the first paragraph, begins, “The crown of thorns was exquisitely painful...” (Change “exquisitely” to “excruciatingly”.)
